CAPABILITY STATEMENT

Live Life Alarms Mobile Alert Personal Emergency Response System (PERS)

Core Competencies

We help Veterans get a medical alert device that allows them to get the help they need when they fall or need any assistance. Our medical alert device gives Veterans independence that can save their lives.

Past Performance	Differentiators
<ul style="list-style-type: none"> • We have experience helping County and State Aging Services, Waiver programs, Medicaid, and Veteran Affairs obtain our device. • Please contact the Salt Lake VA Prosthetics Department for any references: 801-582-1565 ext. 2200 • Live Life Alarms has over 18,000 devices distributed to Seniors in the US, Canada and Australia. 	<ul style="list-style-type: none"> • No home phone, cell phone or internet required. • Mobile Capabilities – Works anywhere. • GPS. • Automatic fall detection. • Makes emergency contact directly to family, friends, care takers and 911. • Texts current location with GPS coordinates. • Water Proof – Wear it in the shower. • 2 year cellular coverage included. • Geofence technology – Perfect for those that wander.
